

President's Message

Memorial Day was this past weekend and that means summer is in full swing here in Florida. I would like to Thank all our Veterans for their service to our country and want to recognize what a wonderful tournament was put together over the weekend. They had a great turn out and Pat Mitchell and his team raised a lot of money for a super cause, awesome job Pat. It's also that time of year where we have to aerify and punch the greens, so the course will be closed on Monday June 3, for the process. I know a group of our members are going over to Plantation to play so if your interested there is a sign up sheet in the lounge. We have also got a few of the tee boxes started and will be trying to sod over the next few weeks. Until next month.....

Message from the General Manager

Well summer is definitely here, unfortunately the rain hasn't yet. We are trying to keep everything watered as best we can but it still doesn't replace rain. Hopefully the summer afternoon showers start arriving.

We have been busy enlarging tee boxes. We have completed four enlargements and built one new gold tee box on number five. We will continue to do this for the next couple of months, then sod all of them so they will be in use by next fall.

I have scheduled a tree company to spend a day and take down some dead trees that are too large for our crew to safely remove. They will also be trimming some limbs that are too high for us to get too.
