

## TEE TIMES DECEMBER 2020

### President's Message

I hope everyone had a great Thanksgiving weekend with family and friends. Usually we have a lot of great activities to look forward to in December between Christmas parties, family and friend's gatherings etc. Due to Covid 19 many of them will get cancelled this year. Here at the club we will still have the club championship this weekend, but we will not have the cart parade and we have had to cancel our employee Christmas party. We still hope we can get donations to take care of our staff they will just be handed out in a different way this year. Our staff is a big part of what makes IGCC such a great place so any support to them would be appreciated. I am hoping everyone can find a way to have a Happy and Healthy Holiday season.

Until Next Month...

### Message from the General Manager

The soil sample from number 7 green came back and the cause of the problem was Pythium blight and Bermuda decline. Both are a very aggressive fungus. We have sprayed and gotten rid of the problem. Now we are working hard to jump start the grass regrowth. Hopefully it will be back to normal sometime soon.

We have moved the cart washing area to the front of the cart barn. This will help keep the area where everyone walks through much cleaner. I am getting bids on patching and sealing the asphalt and parking lot.

Until next month...

Jeff Shelton

### **Coach's Corner**

Welcome to Coach's Corner...Another month in the books, but it was an exciting month. First off, Jack Anderson got a hole in one on #8, way to go Jack!

We also had a two person shoot out and it was very exciting, the Pro and Coach tried to defend the title but fell short. They went out on #7, that left two teams to battle it out. Mike and Jimbo and Bruce and Dave. Going into #9, Mike and Jimbo were down one and with Bruce and Dave making par, Jimbo had to make a thirty-foot putt for birdie and send it into a sudden death, from 100 yards. Jimbo made the putt and the shoot out started from 100 yards. Jimbo went first and his shot from 100 yards almost made it to the 18<sup>th</sup> green. Mike was next and his shot was about 12" from the cup. Bruce and Dave followed trying to get inside Mike, but to no avail. So, congrats to Mike and Jimbo for winning the shoot-out.

Don't forget our Club Championship, this weekend, for men and women. You can sign-up in the pro shop thru Wednesday.

As Christmas is fast approaching, please be safe, and enjoy your family.

Once again, may all your drives be in the fairway!

Thanks,  
Coach
