President's Message

Well St. Pat's has come and gone and I would have never guessed we would have had 180 golfers and some on a waiting list. Just an amazing change as we have averaged right at 125 golfers over the last few years. I am already looking forward to next year to see how we can even put on a better tournament. I also know we had a great showing with the members at the club, so congrats to all those who placed or even won their flight. With everything going on and an extremely big crowd I want to take a second to Thank the staff at the club. To Lee and the pro shop staff getting the carts out in the morning and then cleaning and turning them around for the afternoon round. Thanks to Mo, Amanda and volunteers in the lounge for making sure everyone was always with drink in hand. On Saturday we had the bogey hoagies and on Sunday with some help from couple volunteers Chef Joe knocked it out of the park with the hamburgers and hot dogs. (lots of great reviews for the grill). Thanks to Jeff who made sure everything went off without a flaw, along with dealing with changes all the way up until the last minute I am sure. I know this year we still had a few things not part of the tournament due to C-19, but I know next year we should be able to get back to normal and even have a better weekend. *I have always said it is the great members and people who make IGCC the best place around, so THANK YOU to all...*

Have a Happy Easter and until next month...

Message from the General Manager

I want to thank The Hagar Group for once again being our title sponsor for St Pat's. I would also like to thank all the hole sponsors for their support this year.

The tournament this year had our largest number of players by a large margin than we have had in a very long time.

We had three members who won their respective flights, Dave Colson, Bill VanTassell, and John Onder. Congratulations to you all.

Until next month...

Jeff Shelton

Congratulations!

We are having our end of the season lunch early this year so that more snowbirds can attend. **We will have a scramble and lunch on Tuesday, April 13.** We will be sending out an email to all WGA members asking which lunch option you want and if you will play in the scramble. We will have our only meeting for the season after the lunch, so please attend.

Coach's Corner

Welcome to Coach's Corner...What a crazy March – started off warm, then cold, then warm. I blame the cold weather on Mrs. Vermont (Lynn Bordeleau) – she brought down with her. As the month moved on – we had two holes in ones. Same day, same hole. How crazy is that. Jody Thacher had a hole in one on #14 – Great Job Jody – you are one up on Bill. Then Barry Banta had a hole in one on #14 as well. Good Job Barry.

With the weather being so nice and looking forward to the St. Pat's Tournament – along comes drizzle rain and freezing temp, that is what Mrs. Vermont brought down – cold rainy weather. But that being said, what a huge success. A thanks goes out to Hagar Insurance for once again being the lead sponsor. Thank you again Hagar Insurance, couldn't have done it without you. Also, a big thanks to Jeff and his staff for a great job on the course, it was in perfect condition. Once again, thanks Jeff. It was a record turn out with 180 golfers. Could have easily been a zoo.

Once again, our members played very well. The Championship Flight – Mike Downing was 4th. First Flight – Chris Bernhard was 2nd. Second Flight – Ricky Grant finished 2nd and Jimbo St. Clair 5th. Sixth Flight – Dave (sandbagger) Colson was 1st, Bruce Ellig 4th, Howie (Fireball) Lockett 5th, and in 6th was Crystal River John Carver. Seventh Flight – was Bill VanTassel in 1st. Eighth Flight – was Vermont Mike Bordeleau in 4th, and in 5th was Ben Pfister. Finally, in the Nineth Flight – John Onder 1st, Jerry Hebson 2nd, Jim Jacobs 3rd, and Chuck Doolittle was 5th. I think considering the bad weather, a great time was had by all.

Once again, a big thank you to Jeff, his staff, and all the people that helped to make this St. Pat's a huge success.

In passing by, you may want to ask Dave Colson how he became the sandbag champ of IGCC, I'm sure he will give you some hints, also when you see Howie Lockett, ask him how he got the name of Fireball. Once again, its all-in fun. I thank you all for reading.

May all your drives be in the fairway,
Coach
